

# FUTRUS® CONTOUR OVERBED TABLE

Designed for maximum infection control, durability and long term value.

The customizable, no drip table top is made entirely of seamless Corian®, which is GREENGUARD® certified to resist microbial growth to help reduce HAIs. Table top surfaces resist chipping, peeling, scratching and staining for greater life-cycle. The low-profile U-base is compatible with patient beds, stretchers, mobile recliners and wheelchairs. The pneumatic cylinder provides infinite height adjustment within a height range of 29.5" to 44.5". A high impact polystyrene shroud conceals and protects the base and lockable casters. Storage options available.

No drip edge

High impact cover
