

FUTRUS® HYBRID BEDSIDE CABINET

Designed to support infection control and help create a more healing patient environment.

The doors, drawers and top surface are made from seamless, bleach cleanable Corian®, which is GREENGUARD® certified to resist microbial growth to help reduce HAIs. Corian® surfaces also resist chipping, peeling, scratching and staining and combine with Futrus® patented construction techniques for unrivaled durability.

The casing can be specified in a variety of materials to match interior finishes, including bleach cleanable thermofoil and laminate. Customizable to meet any space, caregiver, patient or design requirement.

No drip edge

Radius outside corner
