Your order is not binding on Futrus until You have received Our order acknowledgement, which will be transmitted to You through electronic mail. You should print and review Your order confirmation and retain a copy for Your records. Futrus reserves the right, without notice to You, to limit Your order quantity and/or refuse service to any customer. Pricing

The prices charged by Futrus shall be those prices in effect on the date of Our receipt of a complete order from You. Taxes

All sales, use, excise and other taxes applicable to the sale of the Products are Your sole responsibility and will be charged at the time the Products are shipped. Terms of Payment

You are required to provide a check deposit or ACH to Futrus when Your order is submitted. If submitting Your deposit by credit card, You authorize Futrus to charge Your credit card for the entire purchase price, plus taxes and any applicable restocking charges or return delivery/freight charges. Futrus reserves the right to accept or reject the credit card number You provide when You enter Your order. By submitting an order and a credit card number, you represent to Futrus that You are the card holder, that the card is valid and that You are authorized to make the charges. Credit cards issued by banks located outside the United States of America will not be accepted. Credit card payments will be subject to a 3% processing fee.

Changes and Cancellation

You may cancel or change Your order without penalty or obligation until the end of 3 business days following the day of purchase order submission. After that, any cancellation or change to Your order may be subject to applicable cancellation fees as determined by Futrus. Cancellation after 3 business days may result in fees of up to 50% of the product price. Any additions or changes by You to the original order is solely at Our discretion. Formal pricing may or may not be issued for approval. An issuance of formal pricing by Us does not constitute a commitment by Us to change the original order. Until the issued price has been reviewed and approved by the party responsible then We reserve the right not to begin ordering any necessary materials, provide necessary labor, begin fabrication or otherwise provide any services towards furthering the proposed addition or change.
