

FUTRUS® CORRIDOR FURNITURE

Solutions that provide maximum durability and design flexibility for high-traffic corridor areas.

Each solution is made from Corian®, which is seamless, bleach cleanable, nonporous and GREENGUARD® certified to resist the growth of mold and bacteria for greater hygiene. Corian® surfaces also resist chipping, peeling, scratching and staining and combine with Futrus® patented construction techniques for unrivaled durability.

Available in standard and custom sizes, colors and finishes with optional technology integration, including seamless wireless charging. Table top surfaces are also available in Corian® Quartz. Corian® solid surface and Quartz are Class I (Class A) fire rated.
