

# FUTRUS® ASCEND WALL SYSTEM

**FUTRUS**  
SOLUTIONS WITH CORIAN DESIGN

## WALL SYSTEM DESCRIPTION

The Futrus® Ascend Wall System is a modular, self-supporting half wall designed to exceed the durability, cleanability and design flexibility of all other wall systems on the market. Featuring removable, bleach cleanable Corian® panels mounted on a patented structural framing system and a narrow, streamlined profile that maximizes floor space. Each panel is impact resistant and can incorporate a variety of components including glass, desking, sinks and technology for added functionality. Panels can also be adapted and upgraded overtime, ensuring a truly future-proof solution. Ideal for both commercial and healthcare environments.

## SPECIFICATIONS

Wall:	Solid surface architectural wall
Frame Material:	Aluminum or steel
Attachment:	Floor anchoring hardware; levelers
Max Height:	4'
Wall Thickness:	3-1/8" minimum
Panel Lengths:	up to 6' sections
Panel Options:	Corian® solid surface; thermofoil; laminate
Finish Options:	Matte; Semi-gloss
Optional Integrations:	Counters/sinks; Glass; Architectural Resins Technology (power/data grommets); 3D Engraving; Backlighting; Dye Sublimation; Thermoforming

## DESIGN FLEXIBILITY

- Adaptable design to meet your configuration needs
- Extremely scalable
- Easy access to infrastructure and wiring

## EASY INSTALLATION

- Wall components are prefabricated off-site to reduce site traffic & enable rapid installation
- Integrates with existing construction

## MATERIAL CERTIFICATIONS

- All Corian® solid surface colors and thicknesses carry the highest "interior finishes" rating. Corian® is:
- Class I (Class A) fire rated
  - NSF/ANSI 51 Certified to the highest level, for food contact, for all food types
  - GREENGUARD Gold for children and schools
  - GREENGUARD Indoor Air Quality Certified®
  - GREENGUARD listed for Microbial resistance

**FUTRUS<sup>®</sup> ASCEND WALL SYSTEM**

SPECIFICATION SHEET  
MODEL NUMBER: FASCENDWS

**STANDARD FEATURES**

- Seamless Corian<sup>®</sup> solid surface construction
- Patented structural framing system
- Matte Finish
- Heavy duty floor attachment hardware
- Stainless steel trim

**STANDARD SIZES**

Heights: 3', 4'  
Lengths: Up to 6' sections  
Thickness: 3-1/8" minimum

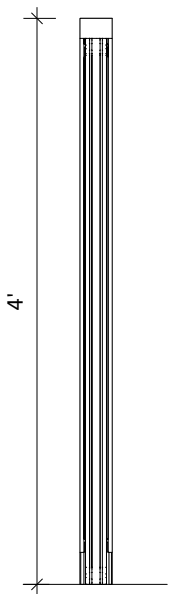

**OPTIONAL UPGRADES**

- Countertop integration
- Glass/Architectural Resin and other materials integration
- Technology integration; power/data grommets
- 3D Engraving, Backlighting, Dye Sublimation or Thermoforming
- Available with laminate & thermofoil panels
- Semi-gloss finish

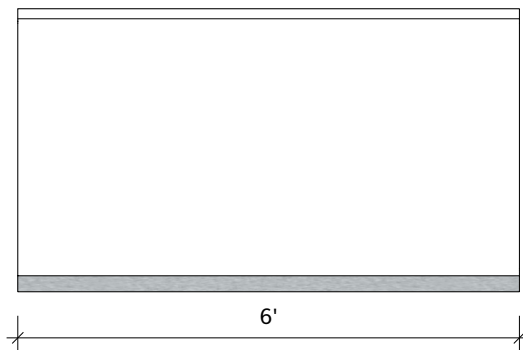

**STANDARD COLOR OFFERINGS**

- Glacier White
- Cameo White
- Bisque
- Bone
- Silver Gray
- Vanilla

Additional colors available, contact Futrus<sup>®</sup>
