FUTRUS NATROLINE TROUGH SINKS

ANTI-SPLASH BACK LINEAR DRAIN CORIAN® QUARTZ TROUGH SINKS

The Futrus® NatroLINE and NatroLINE Module feature an integrated sink and countertop made with Corian® Quartz that combines the elegance of natural stone with lasting durability and easy cleanability. The anti-splashback basin slope directs water into a sleek linear slot channel, for a contemporary and minimalist look. Non-porous, bleach cleanable Corian® Quartz surfaces are highly durable and GREENGUARD Certified to resist, virus, bacteria and mold growth to help create a hygienic restroom environment. NatroLINE Modules include a removable tamperproof plumbing enclosure panel for security and easy maintenance. Ideal for premium offices, airports, universities, healthcare and hospitality settings.

- Made with Corian® Quartz
