Part of an exclusive furniture collection made with Corian® solid surface that combine innovative designs with customizable 3-Dimensional textures. Seamless, bleach cleanable solid surfaces support the highest standards of hygiene and durability. Choose from standard or custom textures and branding, with optional backlighting for enhanced visual effect. Textures can also be reverse backlit with striking results, while maintaining a smooth surface. Patented engineering enables table lengths up to 10 feet, without additional support. Available in a range of sizes and colors with optional technology integration, including seamless wireless charging. Ideal for healthcare, corporate, higher education and hospitality environments.
