- Additional accessories: Flip down vacuum slide assembly

Introducing a new generation of headwalls. Designed with seamless, bleach cleanable Corian® solid surface to truly help protect the health of patients and caregivers from Hospital Acquired Infections (HAIs). Services and equipment are concealed behind a customizable solid surface artwork that can be positioned throughout a facility to create additional life-saving treatment areas when rooms are fully occupied. Also supports a welcoming environment within long term care facilities, birthing rooms and VIP suits. Corian® surfaces are Greenguard certified to resist the growth of bacteria, viruses and mold for superior infection control. They also resist scratching, chipping, peeling and impacts for greater durability. Casing is specifiable in a variety of materials to match interior finishes, including Corian®, bleach cleanable thermofoil, metal or laminate. Supplied pre-wired & pre-piped for single point connection.

- Made with Corian®
- Bleach cleanable
- Seamless & nonporous
- Resists scratching, staining, chipping & impacts
- Adaptable, modular design
- Standard & custom table sizes
- Available in a range of Corian® colors
- GREENGUARD® Certified to resist mold, virus & bacteria growth
