FUTRUS® KAREKART

MOBILE TREATMENT CART/CRASH CART FOR IMMUNE
COMPROMISED PATIENTS

FUTRUS®
SOLUTIONS WITH CORIAN® DESIGN

Designed to provide a hygienic, durable and mobile treatment area for immune compromised patients. Made entirely from seamless, bleach cleanable Corian® solid surface to support the highest infection control standards and provide complete stain resistance against chemical spills. Features a generous, spill-proof work surface with seamlessly integrated handle for effortless maneuverability. With lockable storage drawers to secure medical supplies, tools and equipment. Ideal for oncology and pediatric wards, acute care settings and residential nursing facilities.

- All Corian® surfaces
- Bleach cleanable
- Seamless & non-porous
- Resist scratching, staining, chipping & impacts
- Lockable drawers
- Integrated mobility handle
- Available in all Corian® colors
- Twin locking casters
- GREENGUARD certified to resist virus, bacteria & mold growth
