The ideal decorative and functional solution for dividing areas within a room or creating privacy zones. Made with seamless, bleach cleanable Corian® solid surface to support the highest standards of hygiene and durability. Can be used with living or synthetic plants to promote a calm, welcoming or healing environment. Also provides sound absorption to help reduce noise levels and support a quieter atmosphere. With optional power and technology integration for added functionality. Suitable for waiting rooms, lobbies, workspaces, hospitality and retail environments. Easy to reposition.

- All Corian® surfaces
- Bleach cleanable
- Seamless & nonporous
- Resists scratching, staining, chipping & impacts
- Glides or locking casters
- Available in all Corian® colors
- GREENGUARD® certified to resist mold & bacteria growth
- Optional power & USB integration

* PLANTS NOT INCLUDED *
