Color*	Code	Description
	GW	Glacier White
	CW	Cameo White
	BI	Bisque
	BN	Bone
	VY	Silver Gray
	NL	Vanilla

Designed for superior infection control and durability. Featuring interior and exterior surfaces made from bleach cleanable Corian® solid surface, which are seamless, nonporous and GREENGUARD® certified to resist microbial growth to help reduce the risk of Hospital Acquired Infections (HAIs). Corian® surfaces also resist chipping, peeling, scratching, and staining for unrivalled durability. Base cabinets are also impact resistant for greater life cycle. This unique, modular system is fully adaptable by size, configuration, color and hardware to compliment any space and support end user needs. Additional features include soft close doors and drawers. Constructed using patented metal engineering techniques unique to Futrus, which eliminates traditional wood substrates for unrivalled structural and hygienic performance. Ideal for operating rooms, cath labs, oncology treatment centres and environments where infection control is a priority.

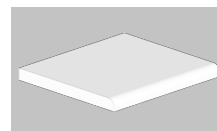

- 100% Corian® surfaces
- Patented structural construction
- Bleach cleanable
- Seamless & nonporous
- Resists scratching, staining, chipping & impacts
- Adaptable design
- Doors, drawers and case built with Corian® solid surface
- GREENGUARD® certified to resist mold & bacteria growth
- Available in all Corian® colors
