FUTRUS® MAGNAGUARD CORIAN® COIL CABINETS

MRI COMPLIANT COIL STORAGE CABINET MADE ENTIRELY OF CORIAN
SOLID SURFACE & NON-FERROUS HARDWARE

FUTRUS
SOLUTIONS WITH CORIAN® DESIGN

Precision designed coil storage cabinet made entirely with Corian® solid surface and patented non-ferrous construction for complete patient safety and compatibility with all magnetic imaging systems. Seamless, bleach cleanable Corian® surfaces are Greenguard Certified to resist the growth of viruses, bacteria and mold to support the highest infection control standards and reduce the risk of Hospital Acquired Infections (HAIs). Corian® surfaces also resist dents, scratches, chipping and eliminate the risk of delamination, commonly associated with traditional casework for superior life cycle. The matte Corian® surface finish reduces glare and reflections to support a calming patient environment. Available in standard and custom sizes, configurations and all Corian® colors to compliment any space.

- All Corian® surfaces
- Bleach cleanable
- Seamless & nonporous
- Patented non-ferrous construction & hardware
- Resists dents, scratches, chipping & impacts
