Designed to be the most adaptable parsons-style table on the market. Featuring seamless, bleach cleanable Corian® solid surfaces for superior durability and easy cleanability. Resistant to scratching, staining, chipping, peeling and impacts, making it ideal for high use and challenging environments. Surfaces are also Greenguard Certified to resist virus, bacteria, and mold growth to support the highest standards of hygiene and infection control. Patented engineering enables table lengths up to 10 feet, without additional support. Adaptable by size, color, and technology integration, including seamless wireless charging. Ideal for commercial, healthcare, hospitality and higher education environments. Can also be floor and wall attached, ensuring patient safety within behavioural health facilities, detox centers, and areas with at-risk individuals.

- Made with Corian® solid surface
- Bleach cleanable
- Patented construction
- Seamless & nonporous
- Resists scratching, staining, chipping & peeling
- Impact resistant
- Standard & custom sizes
- Available in all Corian® colors
- Optional technology integration
- GREENGUARD certified to resist mold & bacteria growth
- NSF/ANSI Standard 51 certified for food contact
