Designed for superior durability, hygiene, and long-term value. Featuring a seamlessly constructed, bleach cleanable tabletop and base made from 100% Corian® solid surface, with internal support for added strength. Resists scratching, staining, chipping, peeling and impacts, making it ideal for high use and challenging environments. Surfaces are also Greenguard Certified to resist virus, bacteria, and mold growth to support the highest standards of hygiene and infection control. Our unique SpotGuard sanding finish helps reduce unsightly fingerprints and marks for lower maintenance. Adaptable by size, color, and technology integration, including seamless wireless charging and power outlets. Ideal for commercial, healthcare, hospitality, and higher education environments. Can also be weighted and floor attached, ensuring patient safety within behavioural health facilities, detox centers, and areas with at-risk individuals.
