Anti-ligature and tamperproof bedside storage cabinet, made from Corian solid surface. Featuring an internal, patented structural frame for complete impact resistance and patient safety. Corian surfaces resist scratching, staining, chipping, and peeling for unrivalled durability and long-term value. Surfaces are also seamless, bleach cleanable and Greenguard Certified to resist virus, bacteria and mold growth to support the highest standards of hygiene and infection control. Adaptable by size, color and fixed mounting options. Ideally suited for behavioural health facilities, psychiatric settings, rehabilitation centers, and areas with at-risk individuals.

- Made with Corian® solid surface
- Bleach cleanable
- Impact resistant
- Patented construction
- Seamless & nonporous
- Resists scratching, staining, chipping & peeling
- Standard & custom sizes
- GREENGUARD® certified to resist mold & bacteria growth
- NSF/ANSI Standard 51 certified for food contact
