FUTRUS® AQUABLADE TROUGH SINKS

SOLID SURFACE ANTI-SPLASHBACK DESIGN WITH MINIMIZED FRONT EDGE PROFILE

The Futrus® AquaBLADE Trough Sink and Trough Sink Module feature a seamlessly integrated sink and countertop, made from 100% Corian®. The minimized front edge profile creates a sleek, modern look and prevents water pooling on the counter edge. The graduated basin slope and self-draining basin surfaces help eliminate water splash-back and water pooling within the basin. Sink surfaces are non-porous, bleach cleanable and resist virus, mold and bacteria growth for greater hygiene. AquaBLADE Modules include a removable tamperproof plumbing enclosure for security and easy maintenance.

- Made with 100% Corian®
- ADA compliant
- Anti-Splash slope & self draining basin
- Bleach cleanable
- Corian® resists scratching, staining, chipping & impacts
- Seamless & nonporous
- Tamperproof Corian® or laminate plumbing enclosure panel
- Easy installation & maintenance
- GREENGUARD® certified to resist mold & bacteria growth
