Futrus Smart Tables are designed to be more durable and hygienic than traditional tables made of wood, laminate and metal. Corian® table surfaces resist chipping, scratching and staining and are bleach cleanable to support infection control. Adaptable by size, height, color, edge treatment, base and technology integration, including seamless wireless charging. The intelligent, multi-purpose table choice for healthcare, education, corporate and hospitality environments.

- Corian® tabletop with moisture resistant substrate
- Bleach cleanable, seamless & nonporous surfaces
- GREENGUARD certified to resist mold & bacteria growth
- NSF/ANSI Standard 51 certified for food contact
- Top resists scratching, staining, chipping & impacts
- Available in all Corian® colors
- Choice of cast aluminum base colors & finishes
- Standard & custom sizes & edge treatments
- Technology integration
- Indoor & outdoor use
