Futrus Smaart Tabletops are designed to be more durable and hygienic than traditional tables made of wood, laminate and metal. Corian® surfaces resist chipping, scratching and staining and are bleach cleanable to support infection control. Adaptable by size, shape, color, edge treatment and technology integration, including seamless wireless charging. Available pre-drilled to any specification for easy connection to new or existing bases. The intelligent, multi-purpose table choice for healthcare, education, corporate and hospitality environments.

- Corian® tabletop with moisture resistant substrate
- Bleach cleanable, seamless and nonporous surfaces
- GREENGUARD certified to resist mold & bacteria growth
- NSF/ANSI Standard 51 certified for food contact
- Top resists scratching, staining, chipping & impacts
- Available in all Corian® Quartz colors
- Standard & custom sizes & edge treatments
- Indoor & outdoor use
