Tables featuring a Corian® or Corian® Quartz table top and waterfall ends with a choice of laminate or thermofoil underside. Furniture designed to complement new or existing design schemes. Futrus® patented metal construction provides greater structural stability over traditional millwork techniques and the ability to span up to 10 feet in length without additional support. Seamless Corian® surfaces provide unrivaled durability, cleanability and are food safe certified. Adaptable by size, color, accessories and technology integration, including seamless wireless charging.

- Corian® table top
- Patented construction
- Technology integration
- Bleach cleanable [Corian® only]
- Seamless & nonporous
- Resistant to scratching, staining, chipping & impacts
- GREENGUARD certified to resist mold & bacteria growth
- NSF/ANSI Standard 51 certified for food contact
