The Kradle baby changing station is designed to seamlessly integrate with any Futrus solid surface or quartz trough sink for greater functionality, or to serve as a stand-alone baby changing area. Featuring a seamless, bleach-cleanable baby bowl made with Corian® solid surface for exceptional hygiene and damage resistance in high use environments. Available in both drop-in or undermount configurations and a range of solid surface colors. Includes a nylon safety strap for added security and peace of mind.

- Made with acrylic solid surface
- ADA compliant
- Includes adjustable nylon safety strap
- Bleach cleanable solid surface
- Solid surfaces resist scratching, staining & impacts
- Seamless & nonporous solid surface
- Easy installation & maintenance
- Solid surfaces are GREENGUARD® certified to resist mold & bacteria growth
- Available in variety of solid surface colors
