The Ascend Workstation combines height-adjustable functionality with clean, architectural design. Its integrated sit-to-stand desk transitions effortlessly to suit changing tasks and user preferences and features an ergonomic comfort edge for cushioned wrist support. Available in C or L-shaped wall configurations, it's designed to fit your space perfectly. Made with Corian® solid surface, it offers exceptional hygiene and durability, making it ideal for high-performance healthcare, corporate and educational environments.

- Made from Corian® solid surfaces
- Bleach cleanable, seamless & nonporous
- Resists scratching, staining, chipping & impacts
- GREENGUARD® certified to resist mold & bacteria growth
- Technology integration
- Available in a range of Corian® solid surface colors
