# FUTRUS® FLEXX™ RECEPTION DESK

MODULAR, CURVED DESK MADE WITH SOLID SURFACE

The Flexx™ modular reception desk is made entirely with Corian® solid surface, for unrivalled hygiene, cleanability, microbial growth resistance and durability.

The sleek, curved profile provides a welcoming look, while the flexible, modular design enables multiple desks to be linked together to compliment any sized space. Designed to be stationary or mobile and features a range of design options for greater functionality. Ideal for healthcare applications including reception, check-in and security areas and locations where infection control is a priority.

- Made with Corian® solid surface
- Seamless & bleach cleanable
- GREENGUARD certified to resist mold & bacteria growth
- Low maintenance
- Impact & chip resistant
- Multiple configurations available
- Meets ANSI & CSA National Consensus Standards
- Arrives fully assembled
