Futrus undermount sinks are made with Corian® solid surface for exceptional hygiene and durability. They deliver superior resistance to chipping, cracking, staining, impacts and fire spread compared to lower-grade polyester blends. Each sink is designed to seamlessly undermount with Corian® countertops to create one continuous surface and uniform modern look. Also supports shallow depth counter surfaces. Available in a range of sizes, drain configurations and solid surface colors. Ideal for healthcare and commercial bathrooms.

- Made with 100% acrylic solid surface
- Anti-splashback slope
- Seamless & bleach cleanable
- Range of sizes & drain locations
- Resists mold, virus & bacteria growth
- Low maintenance
- Impact & chip resistant
- Optional overflow integration
- Repairable
- Easy installation
- No order minimums
