## STANDARD LAMINATE & THERMOFOIL COLORS

Color	Code	Description
	LW / TW	Laminate / Thermofoil Walnut
	LM / TW	Laminate / Thermofoil Cherry
	LC / TW	Laminate / Thermofoil Maple

The Inoxi Quartz Sink Station combines a stainless steel Karaan® Edge Series Sink with Corian Quartz counter into one seamless surface, creating a hygienic, durable and easy to clean solution for demanding restroom environments. The robust 18-gauge steel sink resists rust, corrosion and wear and is available in a range of shapes and sizes. While the engineered quartz counter delivers superior resistance to chipping, cracking, staining and impacts compared with natural stone counters.

Nonporous surfaces support rigorous hygiene standards and long-term durability. ADA compliant and fully adaptable by length, number of sinks and color. Ideal for high-traffic restroom applications including airports, healthcare and hospitality.

### Key Features

- 18-gauge stainless steel sink
- Engineered quartz counter
- Seamless & nonporous surfaces
- ADA compliant
- Range of sink shapes, sizes & drain locations
- Pre-drilled fixture locations
- Mounting brackets included
- Adaptable lengths & configurations
- Available in solid surface & quartz colors

### Key Benefits

- Bleach cleanable sink
- Low maintenance
- Excellent resistance to scratching, staining & impacts
- Nonporous surfaces support infection control standards
- Durable stainless steel basin resists corrosion & heavy wear
- Engineered quartz counter for long term performance
- Simple installation & long-term durability
