FUTRUS® UNIVERSAL OVERBED TABLE

DESIGNED FOR SUPERIOR INFECTION CONTROL, DURABILITY & PATIENT COMFORT

FUTRUS
SOLID SURFACE SOLUTIONS

Designed to be the most hygienic overbed table on the market. The patented Corian® tabletop design is entirely seamless and bleach cleanable on the top surface and underside to support the highest level of infection control. The unique Comfort Edge provides patients with cushioning ergonomic wrist support and contains liquid spills. The height-adjustable steel base has the lowest profile on the market ensuring compatibility with patient beds and seating. The integrated equipment rail allows accessories to be transferred from headwall to table to support patient mobility.

- Corian® tabletop
- Bleach cleanable table surfaces (No substrate)
- Tabletop resists scratching, staining, chipping & impacts
- Patented no-drip Comfort Edge design
- Repairable table surface
- GREENGUARD® certified to resist mold & bacteria growth
- Seamless & non-porous
- Choice of table top & base colors
