FUTRUS® INOXI™ SINK MODULE

INTEGRATED STAINLESS STEEL KARRAN® SINK AND SOLID SURFACE COUNTER WITH PLUMBING ENCLOSURE INCLUDED

The Inoxi Sink Station Module combines a stainless steel Karran® Edge Series Sink and Corian® solid surface counter into one seamless surface, creating a hygienic, durable and easy to clean solution for demanding restroom environments. The robust 18-gauge steel sink resists rust, corrosion and wear and is available in a range of shapes and sizes. While the acrylic counter delivers superior resistance to chipping, cracking, staining and impacts.

Bleach-cleanable, nonporous surfaces support the highest infection control standards and long-term durability. Includes a removable tamper resistant plumbing enclosure for security and service access. ADA compliant and fully adaptable by length, number of sinks and color.

Ideal for high-traffic restroom applications including airports, healthcare and hospitality.

- 18-guage Karran® sink
- Solid surface counter & plumbing enclosure
- Seamless & bleach cleanable
- Ligature-resistant design
- Range of sizes
- Resists mold, virus & bacteria growth
- Low maintenance
- Stain, impact & chip resistant
- Optional overflow integration
