Corian® Group 2 Colors

(Please use Spec Code when specifying material selection)

• Colors have been certified by SCS Global Services to have one of three minimum levels of pre-consumer recycled material: 6%, 10% or 14%

• Dark or heavily pigmented colors may show scratches, fingerprints and everyday wear more readily and may require additional maintenance.

Veined aesthetics are unique and may vary slightly in pattern and vein intensity. Seams may create visible breaks in the pattern; vein alignment and seam placement should be considered during fabrication.
