FUTRUS® KURVO ADA SINK MODULE

CONTOURED SINK AND COUNTERTOP WITH PLUMBING ENCLOSURE MADE FROM SOLID SURFACE

The Kurvo ADA Sink Module features a seamless sink and counter surface made from Corian® solid surface for exceptional hygiene and long-term durability. The gently curved front profile creates a softer, more welcoming look for a wide range of restroom applications.

Nonporous surfaces are bleach cleanable and resist chips, stains and impact damage. A removable, tamper resistant access panel makes plumbing maintenance simple, while the continuous metal wall bracket supports easy installation. Designed to support ADA compliant layouts and shallow depth counter surfaces.

Ideal for high use environments, including hospitals, higher education, retail and commercial restrooms.

- Solid surface sink
- Seamless & bleach cleanable
- Ligature-resistant design
- Range of sizes & drain locations
- Resists mold, virus & bacteria growth
- Low maintenance
- Stain, impact & chip resistant
- Optional overflow integration
- Repairable
- Available in all solid surface colors
- Easy installation
- No order minimums
