UNIVERSAL OVERBED TABLE

DESIGNED FOR SUPERIOR INFECTION CONTROL, DURABILITY & PATIENT COMFORT

Designed to be the most hygienic overbed table on the market. The patented Corian® tabletop design is entirely seamless and bleach cleanable on the top surface and underside to support the highest level of infection control. The unique Comfort Edge provides patients with soft, cushioning wrist support and contains liquid spills. The height-adjustable steel base has the lowest profile on the market ensuring compatibility with patient beds and seating. The integrated equipment rail allows accessories to be transferred from headwall to table to support patient mobility.
